

November 2020

Dear Friends,

I'm excited to share with you that I am part of a mission team that will offer training to 110 church leaders in Gonaives, Haiti, on February 11-20, 2020. I am going with *Partnership of Pastors International (PPI)*, a ministry dedicated to encouraging, training and resourcing church leaders in Haiti and other developing countries. You can learn more about PPI at <https://ppiministries.org>.

Pastor Ken MacGillivray and Pastor Jerry Schuitman (founders of PPI) have led pastors training in Haiti since 2011 and have seen the Lord work in powerful ways, both in the lives of the U.S. teams and in the lives and ministry of church leaders they encourage, equip, and resource. I'm excited to be part of this Kingdom work!

Our U.S. mission team will help coordinate all aspects of the training. I will work with our team on organizing all the training materials, helping with conference registration and attendance, and serving meals. I'll get to know international brothers and sisters in Christ, pray with them and interact with them throughout the conference.

**Would you consider praying for and supporting our team financially?** Pray for our team as we prepare. Pray for all the details of the conference to come together well in Gonaives. Pray for the Lord to prepare the hearts of church leaders for the training they'll receive.

Our U.S. mission team cost per person is \$1700, which covers all transportation, lodging, food, preparation materials, etc. I have already made a \$200 deposit. **Would you consider giving toward the balance of my trip expenses?**

You can contribute three ways, whichever works best for you:

In His grace,
